Hi everybody,

Congratulations for your very good website!

I need to now the number of the Foreign Student Office that is in charge of Graduate students ( v ), it is in Zijing Building 22 on the 1st floor, but I need to have its precise number: 0116? 0112?

Is the someone who could check that for me? I am abroad now, and I need to send them a letter. The person in charge of Graduates is still working during the Spring Festival. Thank you very much!!!

Hi pensee,

Glad you found RP useful. Unfortunately I don't recall the number for the Graduate Office, but you can call the Front Desk of any of the dormitories, or call the Front Desk of Building 22 and ask for the phone number for the 2nd floor. Phone numbers are here: <http://www.ripplepath.net/housing---tsinghua-university/dorms---zijing-tsinghua-dormitories---miscellaneous.html>

Hope it will be useful!

Hi Pensee,

Thank you very much for the link. I'll also add it to the Tsinghua resources section.
